Michigan High School athletes only (others purged)

- US Points list 13 valid Feb 7
- H2H selections based on WCP (World Cup Points) scored at selected events
 - 2019 US Events:
 - Jan 19/20 Marquette SL/GS (Glover)
 - Jan 26/27 Boyne Mt. SL/GS (Kelsey Barnard)

The top 30 competitors will receive place points based on World Cup Point (WCP) Ranking System (100, 80, 60, 50, 45, 40, 36, 32, 29, 26, 24, 22, 20, 18, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2 and 1). In the case of a tie for one of the top 30 places, each tied racer receives the points corresponding to that position. The following racers receive the points for their finish position. (E.g. a tie for 2nd: racer 1st – 100 points, racers 2nd and 3rd - 80 points each, racer 4th - 50 points, etc.)

All races contested per event will be used in calculating each racers World Cup points in that event. If a tie remains after all WCP results have been considered, the racer with best WCP result will break ties.

Racer	WCP	Best WCP	2nd best WCP
m	160	100	60
n	160	100	60
o	160	80	80

If still tied, the lowest race points in the events contested will break the ties. (I.E. m ranked ahead of n on 2nd best race pt result)

Racer	WCP	Best Race Pt	2nd best race pt
m	160	0	15.25
n	160	0	17.55

Racer	WCP	Best Race Pt	2nd best race pt
x	0	86.55	92.25
y	0	86.55	96.55

If still tied, a racer who started the series with higher seed points will be ranked in front of racers who started the series with lower seed points in the event. A tie on the US seed point board is broken by placing the racer with the best ranking on the World Cup point board first.

Seeding at the US3 Eastern HS Championships:

The Eastern HS championships are seeded by teams much like our HS races in Michigan Team Michigan seeding will be based on the 2 ranking lists of event being contested.

I.E. Use the 2 SL lists for SL and the 2 GS lists for GS
US pts and H2H list for each event.

Taking the above example

Slalom seeding = AGCDHBID

GS seeding = BDFCAJK
